The diagram illustrates how three search terms are mapped to a specific URL path. At the top, three teal boxes contain the search terms: 'INURL:admin', 'INURL:orders', and 'FILETYPE:php'. Red arrows point from each box to a corresponding part of a URL path shown in a search results box. The URL path is 'om/catalog/admin/orders.php+filety'. The words 'admin', 'orders', and 'php' are individually circled in red. The arrow from 'INURL:admin' points to the circled 'admin', the arrow from 'INURL:orders' points to the circled 'orders', and the arrow from 'FILETYPE:php' points to the circled 'php'.
